**DISCUSSION OF HELD AGENDA ITEMS**

Ms. Peña stated that since parents and community members have signed up to speak at the Public Comment Session regarding the Westerly Creek proposal the vote on the Westerly Creek motion would be held after the Public Comment Session.

Mr. Patterson will vote by telephone.
Motion to Approve Resolution 3010 to Not Renew Life Skills Center of Denver Charter School

Mr. Hoyt read Resolution 3010 and moved approval of this Resolution. Mrs. Moss seconded the motion.

Ms. Peña introduced Amy Friedman, Director of School of Choice, and Joe Sandoval, Executive Director of Educational Services, to update information relative to this resolution.

Ms. Friedman clarified that three students who attended Manual at the time of the closure last year are currently enrolled at Life Skills Center of Denver. However, all three students did not complete the year at Manual last year, for various reasons. Also attending are seven students, who never attended Manual, who live in the Manual neighborhood.

Mr. Sandoval explained that the process of transitioning currently enrolled Life Skills Center students will include: Training counselors and parent-family liaisons, beginning March 5 and ending April 16, to administer the My Career and Academic Plan (MyCAP), a career academic plan for students; and conduct a credit analysis. Individual guidance counseling will be provided to these students after results have been finalized.

In response to a question regarding how many students would be involved, Ms. Friedman responded that enrollment at Life Skills Center fluctuates, but there are currently 279 students enrolled.

Ms. Conrad said Board members take their responsibilities very seriously and have considered all data presented. After much research on alternative education and visiting Life Skills Center, she has decided to support the staff’s recommendation to not renew the charter.

Mrs. Kaplan stated that this has been a very difficult decision, and the bottom line is that this is a situation where adults have failed children. This whole process has given Board members and staff a real insight into what is needed to provide alternative education.

Rev. Guzman noted this school is located in the district she represents. She was on the Board when this school was proposed and she was one hundred percent supportive of the plan to address the issue of dropouts. She is deeply saddened that, for whatever reason, the needs of these students were not able to be fulfilled or embraced. She said she would be voting in support of the staff recommendation to not renew this charter.

Ms. Peña called for the vote. Voting “aye,” Ms. Conrad, Rev. Guzman, Mr. Hoyt, Ms. Kaplan, Mrs. Moss, and Ms. Peña. Voting “no,” Mr. Patterson. The motion passed. A copy of this resolution is appended to the minutes of this meeting.

Motion to Approve Resolution 3011 to place Denver Arts and Technology Academy (DATA) Charter School on Probationary Status

Mr. Hoyt moved approval of Resolution 3011. Mrs. Kaplan seconded the motion.
Mr. Hoyt said that out of the district’s nineteen charter schools, there is only a few that under-
perform; Denver Arts and Technology Academy (DATA) is one that has chronically under-
performed. However, last year, for the first time, DATA made notable improvement and pro-
gress as measured by CSAP. Based on the significant improvement of DATA, he would
support the staff recommendation to put DATA on probationary status for another year.

Ms. Peña called for the vote. Voting “aye,” Ms. Conrad, Rev. Guzman, Mr. Hoyt, Ms. Kaplan, and Mrs. Moss. Voting “no,” Mr. Patterson and Ms. Peña. The motion passed. A copy of this resolution is appended to the minutes of this meeting.

Motion to Approve Resolution 3012 to place P.S. 1 Charter School on Probationary Status

Ms. Conrad moved approval of Resolution 3012. Mrs. Kaplan seconded the motion.

Mr. Hoyt said that P.S. 1 is in its third year of close scrutiny and third year of poor performance. He feels it is the Board’s job to hold schools to a certain standard of quality. He believes that P.S. 1 has continually failed to meet this standard despite continued negotiation by the Board and probationary status. Based on these facts and seeing no progress for three years, he will not support the staff recommendation to renew P.S. 1.

Ms. Conrad said that P.S. 1 is in the middle of a three-year renewal process. She values P.S. 1 as a culture, a community, and as a school. She is confident that under Principal Liz Abyar’s leadership and commitment to achievement the school will show different results next year. Therefore, she will support the staff recommendation for probation.

Ms. Peña called for the vote. Voting “aye,” Ms. Conrad, Rev. Guzman, Ms. Kaplan, and Mrs. Moss. Voting “no,” Mr. Hoyt, Mr. Patterson, and Ms. Peña. The motion passed. A copy of this resolution is appended to the minutes of this meeting.

Ms. Peña noted that the community still has time to comment on Policy IJOC. Also, the Board has accepted the report on expelled students; and the Chief Financial Officer has presented information to the Board regarding the 2007-2008 Preliminary Budget.

Ms. Peña recessed the regular meeting at 6:33 p.m.

PUBLIC COMMENT SESSION – 6:44 P.M.

DCTA

Kim Ursetta, President of the Denver Classroom Teachers’ Association, presented the results of their 2007 Bargaining Survey. A copy is appended to the minutes of this meeting.
Changes at Valdez Elementary School

Yolanda Reyes, parent, said she had come to present the voice of parents at Valdez Elementary School against the redesign of Valdez. They do not want to be a clone of Anna Marie Sandoval Academy. They feel their children are well taught at Valdez. They are offended that no one has given them the opportunity to voice their opinion regarding the education of their own children. They want to be part of the voice of the new Valdez.

Spanish-speaking parent Anna Veleon’s comments were translated as follows. In the new program imposed at Valdez parents will have to pay tuition, at the meeting she attended they were told if they can’t pay their children would have to attend another school. She does not think it is right that they would have to leave. She asked the Board to find a solution where they don’t have to pay for ECE and kindergarten education.

Westerly Creek/Bill Roberts Proposal

Brian Weber, representative from the Stapleton Foundation, and Meg Yoder, Vice President of the Westerly Creek Elementary School PTA, spoke in support of this proposal.

Kathy Epperson, parent and Stapleton resident, expressed concern regarding the new school that will be going into the original Westerly Creek building. They do not know what kind of program will be offered at that school.

Jennifer Souse said she represents eight Stapleton families with 18 children at four different grade levels that do not support the part of the proposal that will result in Westerly Creek not serving its intended population. They want Westerly Creek to continue as an ECE through 5th grade school and Bill Roberts ECE through 8th grade.

East High School – Building Bridges for Peace in Denver

Melodye Feldman, Executive Director and founder of the organization Seeking Common Ground, spoke about the Building Bridges for Peace Denver program. Celeste Archer, East High School teacher, is at the helm of this program. Students Noah Kaplan, Mia Lewis, and Yo Benbiss spoke about the program. A copy of the information on this program is appended to the minutes of this meeting.

Ms. Peña adjourned the Public Comment Session and reconvened the regular Board meeting at 7:29 p.m.

Reconvened Board of Education Meeting

   Motion to Approve a Grade Configuration Change for Westerly Creek Elementary School and William Roberts K-8 School
Mr. Patterson moved approval of the motion. Mr. Hoyt seconded the motion. Voting “aye,”
Ms. Conrad, Rev. Guzman, Mr. Hoyt, Mrs. Moss, Mr. Patterson, and Ms. Peña. Voting “no,”
Mrs. Kaplan. The motion passed. A copy of this motion is appended to the minutes of this
meeting.

Ms. Peña adjourned the meeting at 7:39 p.m.

FROM: Amy Friedman
DATE: March 7, 2007
SUBJECT: Northeast Academy Building Financing

Northeast Academy Charter School is seeking approval from the District to borrow monies to purchase the real property the school is currently leasing, pursuant to Paragraph 21 (D) of the contract between the school and the District. Paragraph 21(D) of the contract requires any borrowing above five percent (5%) of the School’s budget will be subject to Board approval. The school’s request to purchase the facility is outlined in the attached memo dated January 10, 2007.

Northeast Academy is in its third year of a five year lease for the present facility with Five K Investment Company. The School has been informed that Five K Investment intends to sell all or parts of the property. Northeast Academy would like to purchase the property. Their Board believes that they can secure a purchase agreement and financing in which the fixed current payment will closely mirror the current lease payment. The current lease obligation is $31,225.97 and one of the quoted loan obligations is $33,753.17 with approximately $3,200 as principal in the first year.

District staff from the School of Choice Office, the Budget Office and Legal Services reviewed the attached materials and believes there is no legal problem with Northeast Academy Charter School’s request for BoE approval. In addition, staff believes the minimal additional financial burden will not undermine the school’s academic mission and that the request is fiscally responsible. From a long term operations perspective this is clearly a prudent financial decision on behalf of the school.

Assuming the Board of Education approves the school’s request, staff will work with the school to ensure that the school procures a final loan consistent with the terms outlined in the quotes.

MOTION

I move that the Board of Education approve Northeast Academy’s request to borrow monies above five percent (5%) of the School’s budget to purchase its current facility. The Board of Education further denies any District obligation for the loan and that approval is being provided within the parameters and limitations set forth in the contract between the District and Northeast Academy.

SUBJECT: Appointment of External Auditors for the Fiscal Year Ending June 30, 2007

BACKGROUND
In March 2005, the Board of Education approved the recommendation to appoint Clifton Gunderson LLP as the District’s independent auditors, after a lengthy RFP and selection process. This is the second renewable term for the firm of Clifton Gunderson, LLP to perform the independent audit of the District’s financial statements and of the District’s federal grants. The Comprehensive Annual Financial Report for the fiscal year ended June 30, 2007, is scheduled to be presented to the Board of Education in November 2007 for receipt. By state law, this annual audit report must be presented to the Board by no later than five months after the fiscal year end. The results of the audit of the District’s federal grants contained in the Single Audit Report must be presented to the Board for receipt by no later than 60 days after the Comprehensive Annual Financial Report is issued.

Policy IJOC - School Volunteers and Service Providers

The Board of Education endorses The Denver Plan’s objective of promoting collaboration among the Denver community and all DPS stakeholders to support our children in a safe, orderly, and enriching environment in every school and classroom.

In furtherance of that objective, the Board of Education hereby adopts a comprehensive approach towards: promoting volunteerism; ensuring structure and safety in the manner that volunteers as well as student service/enrichment program providers are retained by the District and interact with our students; and building a culture of accountability on the part of school administrators to ensure student safety as well as the safety of all involved parties, including District staff and volunteers.

The Board of Education also recognizes and appreciates the volunteer services provided by community and civic organizations, mentoring programs, businesses, institutions, school partners, family members, and other individuals in support of the District’s educational efforts and the many supportive functions necessary to effect the District’s objectives.

Accordingly, the Superintendent or his designees shall adopt procedures and rules to comprehensively address centralized approval and retention of volunteers and student service/enrichment program providers, background clearance and safety protocols, volunteer oversight, administrator accountability, and streamlined and efficient volunteer program administration which respects and promotes volunteer contributions to our schools.

A volunteer is a person who serves the Denver Public Schools in a non-paid, non-credit, non-student capacity whose services are-
of value and benefit to the educational efforts of the Denver Public Schools and the many supportive functions necessary to carry out an effective program of instruction. The school district recognizes the contribution of volunteers and recognizes its responsibility to volunteers.

To be eligible for classification as a volunteer, a person shall:

1. Have a desire and willingness to serve the students of the Denver Public Schools through a recognized school function

2. Possess physical and mental health commensurate with the needs of the assigned tasks

3. Set a good example for students through actions, speech and attitudes

4. Demonstrate a willingness to adhere to local school and district practices, policies and procedures and to work under the direction of the unit administrator or the administrator's designee

Volunteers shall be recognized as serving the district when they are approved for assignment by the unit administrator and register as a volunteer during their time of service to the unit. Volunteers shall be insured against liability as provided for paid employees of the district by the Board of Education and in keeping with appropriate state laws and regulations to the extent required under Colorado law.

A central registry shall be maintained as an official record of service.
