I. **Call to Order – 4:00 p.m.**

A. **Pledge of Allegiance**

B. **Roll Call**

President Lester R. Woodward called the meeting to order at 4:17 p.m. The following Board of Education members were present: Ms. Elaine Gantz Berman, Rev. Lucia Guzman, Mr. Bruce Hoyt, Mr. Kevin Patterson, Ms. Theresa Peña, and Mr. Lester Woodward. Mrs. Michelle Moss was absent and excused.

II. **Board Member Reports**

Ms. Gantz Berman read Resolution 2927 recognizing Wayne Eckerling’s thirty-five years of outstanding service to the students of the Denver Public Schools. A copy of this resolution is appended to the minutes of this meeting as Appendix 05-16, II.

Dr. Eckerling thanked the Superintendent, the Board, and staff for their support and everything they have done for him. He said he has had a wonderful time and had fun for thirty-four years. He is looking forward to trying a different kind of life with more time for his family.

Dr. Wartgow commented that the district celebrated its 100th anniversary a couple years ago. Wayne Eckerling has been with the district for over 35 years, over a third of the history of the Denver Public Schools. It is not simply the end of tenure for Wayne, it is the end of an era. Superintendents come and go, Board members come and go, but Wayne Eckerling stayed the course and his contributions are immeasurable.

Mr. Woodward stated that Board members learned to rely on Wayne; it is going to be different without him.

DISCUSSION OF HELD AGENDA ITEMS

III-A Resolution 2928 to Approve Ballot Language for the ProComp Mill Levy on the November 1, 2005, Ballot

Ms. Gantz Berman stated that this ballot language and resolution are the result of six years of work among the Denver Classroom Teachers Association (DCTA), Denver Public Schools (DPS), members of the community, and funding community. It is a revolutionary system that will change the way teachers are paid, not only in Denver, Colorado, but throughout the United States.

Kim Ursetta, President of DCTA, said they are very pleased with the final ballot language. It reinforces the language in the negotiated agreement that was developed jointly between the district and the association. It is important that we remain steadfast in our efforts to continue to work collaboratively to improve student achievement; to strengthen our structure; and to ensure our accountability systems are successful and meeting the needs of teachers, students, and staff. It also ensures that the ProComp system is sustainable and manageable through a fully-funded mill levy with inflation adjustment. There is a lot of work yet to do but they are well on their way toward reaching that goal. She expressed her appreciation to the hundreds of teachers and administrators who worked to develop these systems.

Dr. Wartgow commented that ProComp has attracted attention locally, statewide, and nationally. Denver is on the cutting-edge, with this pioneering, groundbreaking program; the eyes of the nation are truly upon Denver. We all know that the future of our city depends upon strong public schools and the time has come for us to take bold steps to improve the quality of public education in Denver. Education improvement, at its heart, depends upon having good quality teachers. Without a doubt, teaching is one of the most important jobs in the world and good teachers deserve to be compensated.

Mr. Woodward said he had been involved with this program for a long time. The program has been a landmark joint effort between the DCTA and DPS. He acknowledged the importance of the philanthropic community support in backing this project. The Rose Community Foundation played a key role at the very outset by stepping up to the plate with a major grant. He asked Phil Gonring, representative of the Rose Community Foundation, to speak.

Mr. Gonring said that they are very proud to have partnered with DPS and DCTA over the last six years. The real story here is about having the time and the resources to let the individual genius of an urban school district flourish. The single most important and courageous decision
was made by this Board of Education and the teachers’ union about five years ago when they decided to extend the pilot from two to four years, in order to have ample time and money to really figure out how to do this well.

Mr. Woodward said that the Rose Community Foundation has given millions of dollars to support this program. They have made it possible for the district to present ProComp to the citizens of Denver as a well-designed, tested, and effective system for compensating teachers.

Ms. Gantz Berman moved approval of Resolution 2928. Mr. Hoyt seconded the motion. The motion passed unanimously. A copy of this resolution is appended to the minutes of this meeting as Appendix 05-16, III-A.

IV-D-1. Motion to Approve Student Fees

Mr. Woodward moved that the motion to approve student fees be tabled until the next meeting of the Board on June 23, 2005. Ms. Gantz Berman seconded the motion. The motion passed unanimously.

VII. Adjournment

Mr. Woodward adjourned the Regular Meeting at 4:50 p.m.
