**John MacPherson, Guest Presenter Providing Information on the DPS Pension:** John MacPherson thanked the Council for the invitation to speak. He provided background information on the DPS Retirement System and the change to PERA. With the background information, he distributed copies of the DPS press release dated April 18, 2013, titled "DPS Successfully Transitions Pension Debt to Long-Term Fixed Rate at Attractive Interest Rate" and a spreadsheet covering the years 2010 through 2039 with information on DPS PERA Employer Contributions, PCOP payments, and DPS PCOP payments plus Actual to PERA. John MacPherson pointed out that on January 1, 2008, the Denver Public Schools Retirement System (DPSRS) was 88% funded. However, in 2008 DPS took a loan for \$750 million with variable rate financing to allow the school system to merge the DPSRS with PERA. At the end of 2011, the DPS pension liability had grown to \$637 million. The Board of Education, in May of 2012, approved unanimously a resolution authorizing the conversion of the 2011 Certificates of Participation (COP) to a long-term fixed rate if the all-in Total Interest Cost (TIC) of the conversion could be obtained for less or equal to 7.25%. John MacPherson encouraged the Council members to study the information and be prepared to discuss the pension situation with District staff at the May DSIAC meeting. Roger Kilgore thanked John MacPherson for taking the time to share the information with District SIAC.

**Jeannie Kaplan, Member of the DPS Board of Education:** Jeannie Kaplan thanked Roger Kilgore and Kristen Tourangeau for inviting her to the District SIAC April meeting.
