Join the DPS District Accountability Committee

WE NEED COMMUNITY LEADERSHIP!

The mission of the District Accountability Committee (DAC) is to assist in the improvement of Denver Public Schools by advising the Board of Education on the adequacy and cost effectiveness of educational programs and policies.

The DAC is open to DPS parents, staff, and community members who are interested in the improvement of our schools and assure that Every Child Succeeds.

DAC Benefits:

- Insight into key district initiatives
- Networking opportunities with other community leaders-
- Opportunity to provide recommendations directly to the board

DAC members commitments:

- General DAC meetings once a month
- Subcommittees meet once a month or based on need:

Budget - Recommend to the Board priorities for spending district resources.

Great Schools - Review and give recommendations on Charter School Applications

Performance - Review and provide recommendations on district performance metrics and improvement strategies

Family and Community Engagement – Provide recommendations on Family and Community involvement to the district in accordance to Board of Education Policy KB and KB-R, that provide guidance on family engagement.

Looking for...

Enthusiasm - Community Voice & Representation

Time to serve - Passion - Diversity
