

DPS District Accountability Committee Minutes

October 25, 2016

The September minutes were approved.

Allen Smith and Laci Gettings presented the work being done on the African-American and Latino Task Forces.

- This Task Force wants to be as transparent as they can be.
- It will take 7-9 months to create policies and processes to present to the School Board for approval.
- This organization is partnering with the National Equity Project.
- The majority of the DAC meeting consisted of discussions about this Task Force.

Landon provided an update on the upcoming SPF reports. There will be a set website, spf.dpsk12.org which will have all the school SPF information on it as of Thursday, October 27, at 11:00 am.

The subcommittees presented brief updates.

- The Budget subcommittee has not met yet.
- The Great Schools committee is beginning their research on the charter schools up for renewal and will be meeting Thursday, Oct. 27th.
- The Performance subcommittee has not met yet.
- The Whole Child subcommittee has not had another meeting.
- The FACE subcommittee has also not had a second meeting.
