**DISTRICT ACCOUNTABILITY COMMITTEE RESOLUTION REGARDING THE SUPERINTENDENT SEARCH (NOVEMBER 2018)**

**whereas,** The District Accountability Committee has the obligation to provide community perspective regarding crucial decisions and workings of the Denver Board of Education;

**whereas,** the search for superintendent ought to be transparent and driven by various community stakeholders from diverse backgrounds (such as teachers, community members, and others);

**Resolved:**

- The DAC recommends that the Board of Education present 2 or more finalists for superintendent
  - If there is only 1 finalist, The Board of Education should pause the search and re-open to consider additional candidates
  - Extend the time period in which the community can interact and provide input with respect to the finalist(s) from December 14th to beyond January 11th
  - With the extension in time, incorporate (1) time for teacher and school input and (2) community input, where community input includes but is not limited to the DAC and the Strengthening
-
