Agenda overview/purpose

The expectation for subcommittee time is to review current topics, plan/specify next steps and next meeting dates (including at least 1 remote Zoom meeting.) We would like this time to be productive and efficient, allowing for all DAC voices to give direction to the work of the subcommittees.

Homework

From Daniel:

As you may know, our Board of Education will be announcing a finalist or several finalists for the superintendent on Monday November 26th. There will be a Townhall meeting on Wednesday December 5th for you to meet and ask questions of the finalists.

A couple notes specifically about this opportunity:

- The finalists only have a couple days for this engagement. In light of that, the Board has asked that we join up with the Strengthening Neighborhoods Committee so you both can take advantage of this opportunity.
- We will be meeting at North HS.
- The timing is likely to change slightly. As of right now the timing is 5:00-8:00, dinner will be served and child care will be provided. This timing includes an opening, meeting the candidates and debriefing with the Board of Education.
- Because we have limited time, we ask that you please submit your questions for the candidates via this google <https://goo.gl/forms/IoJkf9HWqvVMNy6H2> (**deadline Wed Nov 28th.**) The DAC leadership members will identify the most common areas of inquiry and prioritize questions to bring forward.
