Ends Policy 1.1

Equity

Global End Statement

The Denver Public Schools will provide students with racial and educational equity to obtain the knowledge and skills necessary to become contributing adults in our complex world. The Board of Education is committed to the singular and ambitious vision that every child is civically engaged, reaches their full potential and thrives.

ENDS 1.1 - Equity

DPS will be a district that is free of oppressive systems and structures rooted in racism and one which centers students and team members with a focus on racial and educational equity, enabling students to ultimately become conscientious global citizens and collaborative leaders.

Racial and educational equity is our collective responsibility. We will achieve equity when we identify and remove deeply rooted systems of oppression that have historically resulted in inequitable access and distribution of opportunities and resources for those who represent marginalized identities, including but not limited to race, socioeconomic status, ethnicity, gender identity, sexual orientation, language and ability.
