The Denver Public Schools will provide students with racial and educational equity to obtain the knowledge and skills necessary to become contributing adults in our complex world. The Board of Education is committed to the singular and ambitious vision that every child is civically engaged, reaches their full potential and thrives.

### **ENDS 5 - Post Graduation and Global Citizenship**

Graduates will be civically engaged life-long learners with the necessary knowledge and skills to adapt to changing local, regional, and global demands. To this end, all graduates will be prepared for a successful post-secondary experience, be it college, skilled trade apprenticeships, certificate programs, military, workforce or other pathways. Graduates transitioning to thriving careers will achieve financial self-sufficiency, and build a strong foundation for generational success and prosperity.
